

*Anna Cieślík, 95, a former Maynard resident, and a native of Poland, died peacefully on February 26, 2021 in Boca Raton, Florida.*

*Affectionately known as "Hania" by good friends and loved ones, she is survived by her beloved sister Helena Piķula, with whom she made her home in Florida. "Ciocia Hania" is lovingly remembered by all her nieces, nephews and their families, as well as extended family and friends in the US and Poland.*

*Born in Julianów, Poland, Miss Cieślík was the daughter of the late Stanislaw and Helen (Kamińska) Cieślík, and the loving sister of the late Fr. Eugene Cieślík. She graduated from nursing school in Warsaw, Poland, and began her career as a pediatric nurse in an orphanage in Stargard Szczeciński. She then worked for several medical clinics in small towns where she was the key medical person providing care along with the doctor. Miss Cieślík immigrated to the USA in 1975 and worked as a private nurse for several elders in Maynard before retiring to Florida. Hardworking and generous, she will forever be remembered for her devotion to her family.*
